

"Verba volant,

OMNIA LINGUA

TRANSLATION PRICE QUOTE

scripta manent"

Since 2009, OMNIA LINGUA intended to bring a positive change in the field of translations complying with the Client requirements. The translations made by OL team communicate the message of a source language text in the target language considering the template of the original text. The translations also include DTP standard services: inserting and editing images.

Over the years, we committed to comply with the following Client requirements: translation quality, meeting deadlines, best price-quality ratio and bank transfer payment method from all over the world. Our price quote includes FREE 24H courier service. Therefore, the Client no longer needs to come to our headquarters to pay and pick up the translations.

Some projects require specialized knowledge and, therefore, experienced translator to get a quality translation. OL translators and interpreters are certified by the Ministry of Justice, among them native speakers of the target language, specialists in the various fields such as: technical, legal, medical, IT, financial etc.

The translation consistency is ensured by the use of translation tools, a comprehensive database and specialized dictionaries. All translated texts are subsequently checked by a second certified translator and the translation is in accordance with the original text.

"S.C. OMNIA LINGUA S.R.L." can be your best partner: high quality standards, accuracy and fidelity in translation, quick online and courier delivery, confidentiality guarantee and, last but not least, competitive pricing.
